What Do They Cure?

The above question is often asked concerning Dr. Pierce's "Golden Medical Discovery," "Golden Medical Discovery" and "Favorite Prescription." The answer is that "Golden Medical Discovery" is a most potent alternative or blood-purifier, and tonic or invigorator and acts especially favorably in a curative way upon all the mucous lining surfaces, as of the nasal passages, throat, bronchial tubes, stomach, bowels and bladder, curing a large per cent. of catarrhal cases whether the disease affects the nasal passages, the throat, larynx, bronchia, stomach (as catarrhal dyspepsia), bowels (as mucous colitis), bladder, uterus or other pelvic organs. Even in the chronic or nervous stages of these ailments it is often successful in effecting a cure.

The "Favorite Prescription" is advised for the cure of one class of diseases—those of the urinary tract, such as catarrh of the bladder, cystitis, gonorrhea, etc. It is a powerful yet gently acting invigorating tonic and nerve. For weak women, over-worked women—no matter what has caused the break-down, "Favorite Prescription" will be found most effective in building up the strength, regulating the womanly functions, subduing pain and bringing about a healthy, vigorous condition of the whole system.

A book of particulars wraps each bottle giving the full details of the diseases treated, and the scores of eminent medical authorities, whose works are consulted by physicians of all the schools of practice as guides in prescribing, say of each ingredient entering into these medicines. The words of praise bestowed on the several medicines entering into Dr. Pierce's medicines by such writers should have more weight than any amount of non-professional testimonials, because such men are writing for the guidance of their medical brethren and know whereof they speak.

Both medicines are non-alcoholic, non-acid, and contain no harmful habit-forming drugs, being composed of glyceric extracts of the roots of native American medicinal forest plants. They are both sold by dealers in medicine. You can't afford to accept as a substitute for one of these medicines of known composition, any secret nostrum.

Dr. Pierce's Tablets, small, sugar-coated, easy to take as candy, regulate and invigorate stomach, liver and bowels.

A MISSISSIPPI ENTHUSIAST

Mrs. Lena Gresham, of Clinton, Miss., Has a Few Facts to Tell Our Readers About Cardui.

Clinton, Miss.—"Thanks to Cardui," writes Mrs. Lena Gresham, of this place, "I have been greatly relieved."

"I suffered for three years from female inflammation, and had taken medicine from four different physicians without much benefit."

"I have received more benefit from seven bottles of Cardui, than from all the physicians."

"Just try Cardui. That's all we ask. It speaks for itself. It has helped so many thousands, it must be able to help you."

"Trying Cardui won't hurt you. It is safe, harmless, gentle, in action, and purely vegetable."

"If you are weak, tired, down and out, try Cardui."

"If you are sick, miserable, and suffer from womanly pains, like headache, backache, dragging feelings; pains in side, arms, legs, etc.—try Cardui."

"It is the medicine for all women. It is the tonic for you."

N. B.—Write to: Ladies' Advisory Dept., Chattanooga Medicine Co., Chattanooga, Tenn., for Special Instructions, and 64-page book, "Home Treatment for Women," sent in plain wrapper, on request.

The carmen's strike in Philadelphia is submitted to arbitration at once, and that, as an official representative of the people of Pennsylvania, you immediately use your official influence toward this end."

Both of the Pennsylvania senators are in New York and are not expected to return to Washington until Monday. It will be impossible for them, therefore, to take any steps in the matter before that time.

The general strike committee made a new threat last night. They say now that unless the carmen's strike is patched up within 48 hours, every labor organization that joined in the sympathetic strike will be instructed by their leaders to formulate demands for more wages, shorter hours, and better conditions of labor. The state federation of labor will be asked, the committee says, to direct railroad employees, miners, and all union men throughout Pennsylvania to make similar demands.

It became known last night that offers of large financial assistance have been made to the Philadelphia Rapid Transit Company in meeting the heavy cost of a fight to a finish with the union labor men.

The strikers held a meeting last night in Musical Fund Hall and heard speeches from Pratt and others. Pratt renewed the threats to call a statewide strike. The labor men assembled quietly but there was some disorder after the meeting. The police clubbed a few stone throwers and hustled them to the lockup.

BOUND FOR SHEOL. "No; the town is going to hell fast; don't push it along," was the reply that Mayor Knifen, of Wilkes-Barre, Pa., made yesterday when requested by managers of nickelettes to permit them to keep their places open on Sunday in order to give sacred concerts. "No," he said, when the request was made, "the first thing we know you'd have your places going and maybe you might put on a vaudeville show. The town is going to hell fast enough; don't push it along. Remember the Sabbath Day to keep it holy. There is enough hell here now; don't make it any worse. Put on the brakes and let's try the make the old town better."

SUMMER NORMAL. The Fredericksburg Summer Normal Institute will open Wednesday night, June 29th, with appropriate exercises. Regular classroom work will commence Thursday morning, June 30th. The lectures will continue the usual twenty days and on July 28th, 29th and 30th, the annual uniform state teachers' examinations will be held.

Mr. A. B. Chandler, jr., of Richmond, who so successfully conducted the institute last summer will again be the conductor and has as his local manager Superintendent Arthur D. Wright, of this city. A number of last year's faculty will be here again, while the new members of the faculty will all be specialists in their lines. [Fredericksburg Star.]

FAIRFAX LAND SALES. Mr. W. F. Richardson has purchased the handsome residence and 13 acres of land, belonging to Mrs. Barbara E. Ford in this town, and will soon move to the same. Mr. Richardson is also negotiating for the sale of his farm, near the above property.

It is said that Mr. J. C. Hueter, of Vienna, has sold his place including his valuable lot of poultry, to a gentleman from Washington.

Two sales were made recently—200 acres near Centerville, belonging to Z. W. Grimes, to Dr. W. L. Stevens, of Washington, and 733 acres near Fairfax, belonging to J. S. Borden, to G. O. Funkhouser, Fawcett Gap, Virginia. [Herald.]

Many Requests from Catarrh sufferers who use Catarrh Balm have caused us to put up Liquid Cream Balm, a new and convenient form of Ely's Cream Balm, the only remedy for Catarrh, which can always be depended on. In power to allay inflammation, to cleanse the clogged air passages, to promote free, natural breathing, the two forms of Cream Balm are alike. Liquid Cream Balm is sold by all druggists for 75 cents, including spraying tube. Mailed by Ely Bros., 58 Warren street, New York.
